ALLOWABLE CONTINUING EDUCATION ACTIVITIES

Continuing Education - workshop, seminar, conference, or an in-service educational program; electronic or Web-based courses, self-paced clinical courses or other formalized self-study courses.

Academic Coursework - on-site or distance learning academic courses from a university, college, or vocational technical adult education course related to the practice of occupational therapy.

Mentorship Agreement - Formalized mentorship as a mentor or mentee documented by a signed contract.

Fieldwork Supervision - primary clinical fieldwork educator for Level I or Level II, OT or OTA, fieldwork students. Maximum of 2 credit hours for Level I fieldwork; and one (1) credit hour for each week of Level II fieldwork supervision.

Professional Writing - Publication of a peer-reviewed book, chapter, or article. Maximum of 10 credit hours for publication of a book; three (3) hours for one or more chapters and one (1) hour for publication of an article.

Presentation and Instruction - academic course or workshop, seminar, in-service, electronic or Web-based course. Not allowable for full-time educators or instructors.

Professional Meetings and Activities - board or committee work with organizations or agencies to promote and enhance the practice of occupational therapy. Maximum of two (2) credit hours.

Board Certification or Specialty Certification - certification from recognized board or certifying body. Maximum of five (5) credit hours.

Other - The board will consider approval of credit for any continuing competency activity that is not specified above, if the request is submitted to the board before the due date on which a license must be renewed.

Credit for the same continuing education course or activity will be awarded only once during two successive renewal periods.
