A REGULATION relating to occupational therapy; revising provisions relating to the supervision of occupational therapy assistants and provisional licensees; requiring an applicant for a license by endorsement to practice occupational therapy to have practiced occupational therapy for at least 2 years; revising certain provisions relating to the licensing of occupational therapists and occupational therapy assistants; revising provisions relating to continuing education requirements for occupational therapists and occupational therapy assistants; revising provisions relating to payments made to the Board of Occupational Therapy; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires the Board of Occupational Therapy to regulate the practice of occupational therapy in this State. (NRS 640A.110) Existing law further requires the Board to adopt regulations relating to the issuance and renewal of licenses to practice occupational therapy. (NRS 640A.180) Existing regulations generally establish the requirements and procedure for obtaining a license to practice occupational therapy in this State. (Chapter 640A of NAC) **Section 7** of this regulation changes the term “active license” to “standard license.” **Section 9** of this regulation removes the requirement for an application submitted to the Board to be notarized and instead requires an applicant to submit a signed statement certifying that the information provided in the application is accurate. **Section 10** of this regulation requires an applicant for a license to achieve a passing score on the Nevada Occupational Therapy Jurisprudence Examination. **Section 12** requires an applicant for license reinstatement to achieve

a passing score on the Nevada Occupational Therapy Jurisprudence Examination to have his or her license reinstated. **Section 15** of this regulation removes the requirement for an applicant seeking to convert a provisional license to a standard license to submit an official transcript from the occupational therapy program he or she attended.

Existing law establishes a procedure by which an applicant for a license to practice occupational therapy who holds a valid, unrestricted license to practice occupational therapy in another jurisdiction can apply to the Board for a license by endorsement. (NRS 640A.165, 640A.166, section 3 of Senate Bill No. 69, chapter 518, Statutes of Nevada 2017, at page 3510) **Section 5** of this regulation requires an applicant for a license by endorsement to have practiced occupational therapy in another jurisdiction for at least 2 years prior to applying for a license by endorsement.

Existing law also provides that if a person applying for a license by endorsement is an active member of, or the spouse of an active member of, the Armed Forces of the United States, a veteran or the surviving spouse of a veteran, the Board is required to reduce by one-half the fee for the initial issuance of the license. (NRS 640A.166 and 640A.190) **Section 22** of this regulation reduces by one-half the fee charged by the Board to an applicant for licensure by endorsement who is an active member of, or the spouse of an active member of, the Armed Forces of the United States, a veteran or the surviving spouse of a veteran.

Section 17 requires a licensee to achieve a passing score on the Nevada Occupational Therapy Jurisprudence Examination at least once every 5 years.

Section 4 of this regulation requires a primary supervisor of an occupational therapy assistant or provisional licensee to review and approve monthly supervisory logs maintained by both the treating occupational therapist and the licensee. **Sections 24-29** of this regulation make various other changes to the supervision of occupational therapy assistants and provisional licensees.

Existing regulation establishes a fee charged by the Board for each check payment returned to the Board because the person had insufficient funds to pay the check. (NAC 640A.155) **Section 21** of this regulation applies this fee to other types of returned or cancelled payments.

Section 30 of this regulation removes a provision of existing regulations authorizing the Board to issue a private reprimand to a licensee who has committed certain unprofessional conduct.

Section 1. Chapter 640A of NAC is hereby amended by adding thereto the provisions set forth as sections 2 to 5, inclusive, of this regulation.
