## **AGENDA ITEM 4: Legislative Activities**

## **Legislative Report**

Lea Case of Belz and Case Government Affairs will provide an update on Legislative Issues.

Attachment Written Legislative Report

#### Nevada State Board of Occupational Therapy

Legislative Interim Report – September 7<sup>th</sup>, 2023 Submitted by Belz & Case Government Affairs

As summer comes to an end and the school year starts up again, we anticipate the pace of interim activities to increase as agencies and the legislature strive to make progress on the implementation of policies and programs before the winter holiday season.

#### **Legislative Interim Activity**

The Interim Finance Committee (IFC) met on August 9<sup>th</sup>, 2023. This was a tense and riveting meeting that lasted 13 hours, during which the Governor's office went head to head with legislative democratic leadership over a <u>proposal to use Coronavirus dollars</u> to fund opportunity scholarships. This proposal was voted down. IFC meets again on October 11<sup>th</sup> at 9am.

The Legislative Commission met on August 21<sup>st</sup>. All agenized regulations were approved except for R148-22 a Board of Health Regulation relating to communicable disease reporting. Regulation R111-22, related to vital records reporting was passed with no Republican support. Assemblyman Delong noted that he was voting against the regulation because it included "multi gender language". Additionally, the Commission made appointments to the Nevada Youth Legislature and the Silver Hair Forum. Appointments to the joint interim committees were not made. Interim committee work will not start until those appointments are made.

The next meeting of the Legislative Commission has not been scheduled.

#### **Legislation Implementation**

SB431- Office of Boards and Commission-

Business and Industry (B&I) withdrew an IFC agenda in August related to the hiring of a deputy director that would oversee that office. The B&I Director's office has started collecting information about board operations from licensing boards related to the number of licensee and software systems.

#### **Elections:**

If anything feels evergreen anymore it's election season and, believe it or not, it is already upon us. Assembly representatives (42) must run every two years, while the Senate (21) has four-year terms so only half run each election cycle. Constitutional offices, including the Governor, run every four years and are not up for election in 2024. The following are open seats, where no incumbent is running for re-election.

In the Assembly announcements have been made related to 3 seats:

AD2 – Heidi Kasama (R) is running for Congress.

AD10 – Sabra Newby (D) is resigning from the Assembly to take a position with the City of Las Vegas.

AD17 - Claire Thomas (D) is running for SD1 to succeed Pat Spearman (D) who is termed out.

Ten Senate districts (1, 3, 4, 5, 6, 7, 11, 15, 18, and 19) are up for election this cycle. Of those, four are open.

SD1 – Pat Spearman (D) termed out. Claire Thomas (D - AD17) announced her intention to run.

SD15 – Heidi Seevers Gansert (R) is not seeking re-election. Reno City Councilwoman Naomi Duerr has announced her candidacy.

SD18 – Scott Hammond (R) is termed out.

SD19 – Pete Goicoechea (R) is termed out.

Candidate filing happens in March 2024 at which time we will have a complete lay of the land including all open seats, primary races, and more.

i Team – Lea Case, Elyse Monroy-Marsala, and Jeanette Belz

Our team brings a wealth of knowledge and experience in the Nevada state political and policy realm to elevate your legislative and interim goals. From concrete tasks, like committee and bill tracking, to abstract creations, like strategy development, our team wraps a variety of individual skills and abilities into one personalized service package. Our team members are registered lobbyists, in compliance with all reporting requirements of the state of Nevada. Resumes available on request.

**Primary - Lea Case**, the corporation's Vice-President, has been lobbying with Jeanette since 2015. Lea's ability to research and analyze legislative history, as well as state and federal data, creates an informational foundation for success and client achievement.

## Qualifications and Experience – A Proven Track Record

Belz & Case has represented the Nevada State Board of Occupational Therapy since 2020. Please see the reports submitted to the Board for work accomplished over the course of this relationship. In addition to shepherding a bill (AB343) on behalf of the Board of Occupational Therapy through the legislative process in 2023, our team was able to amend the board out of a last minute bill (AB503) that would have placed significant burden on the board and license applicants.

This will be the first interim where licensing boards will be subject to additional oversight by the newly created Office of Nevada Boards, Commissions, and Council Standards under the Department of Business and Industry. Our team will monitor announcements of staffing (Deputy Director) and introduce ourselves to this new office. We will also monitor and engage with any regulation development which we anticipate will include board processes, licensee discipline and oversight, administrative penalties, and other transparency and consumer protection issues.

Beyond regular committee monitoring and attendance, our team closely monitors the daily Nevada news and activities of legislators. We keep up to date regarding conversations in the media and on social media related to boards, licensees, and any other relevant issues. We maintain constant connection with the legislative policy and regulatory sphere across multiple platforms to bring you the most current information.

Monthly service fee remains \$2000 until 2025

Belz & Case will maintain the current rate of \$2,000.00/month for the period from January 1, 2024 to December 31, 2024. Beginning January 1, 2025 the rate will increase to \$2,500/month for the period from January 1, 2025 to December 31, 2025. The fee will be billed and paid in monthly installments.

Services include the following, in partnership with, and at the direction of the Board and Executive Director:

- Monitoring legislative initiatives related to professional and occupational licensing Boards in Nevada
- Attending and/or representing the Board's interests in interim committee meetings
- Analyzing proposed bill draft requests
- Tracking legislation applicable to Boards
- Conducting outreach activities with stakeholders, legislators, state agencies, professional licensing boards and organizations
- Attending Board meetings and/or submitting regular reports as requested by the Board and executive director

This fee includes expenses related to travel within the Reno/Carson City area. Expenses incurred for travel outside the Reno/Carson City area will be billed separately and will require the prior approval of the Executive Director.

#### **AGENDA ITEM 10: Consideration of Proposed Regulation**

The Board may discuss and consider public comments on the content and intent of the proposed regulatory language, approve, add, revise and/or remove sections.

Presented for Board consideration are proposed revisions to biennial licensing fees and adding the authority provided in NRS 622.233 to recapture costs of credit card fees through assessment of a convenience fee. The Board pays in excess of \$6,000 per fiscal year in credit card bank fees.

NAC 640A.155 – removes fee for returned payments and authorizes the Board to charge a convenience fee for credit and debit card payments.

NRS 622.233 Acceptance of credit cards, debit cards and electronic transfers of money: Prerequisites; fees for use.

2. If the issuer or operator charges the regulatory body a fee for each use of a credit card or debit card or for each electronic transfer of money, the regulatory body may require the cardholder or the person requesting the electronic transfer of money to pay a convenience fee. The total convenience fees charged by the regulatory body in a fiscal year must not exceed the total amount of fees charged to the regulatory body by the issuer or operator in that fiscal year.

NAC 640A.160 – revises fees charged by the Board.

The regulation revises fees for biennial licenses, temporary and provisional licenses and associated fees for renewals, reinstatement and conversion of certain license types.

The Board moved from an annual license to a biennial license on 3/24/18, with no increase in fees. Renewal fees and related reinstatement and conversion fees only were increased by \$25 in 12/30/19, there were no increases to new applications.

The proposed \$50 fee increase would generate on average \$55,000 in additional revenue per fiscal year which would be utilized to support the regulatory functions and operations of the Board which are increasing due to inflationary costs of personnel and operations.

Due to the biennial licensing cycle, any fee increase would be gradually realized over a two-year period and could not be implemented until after approval of the proposed regulation by the Legislative Commission. July 1, 2024 is the target implementation date with full impact realized the 3<sup>rd</sup> year; Fiscal Year 2027.

An analysis of various fee structures was conducted utilizing actual licensing numbers from the FY 22 / FY 23 biennial period.
